MAGNUS'S GARDEN PLANNER

Plan the beds. Track the seasons. Grow what you need.

Growing zone: _____

Last spring frost: _____

First fall frost: _____

Get your frost dates from your local cooperative extension office. They're specific to where you live.

SEASON CHART

Mark each month: **S** = start indoors, **P** = plant out, **H** = harvest.

CROP	J	F	M	A	M	J	J	A	S	O	N	D

BED LAYOUT

FOLKLORE MAGNUS ENJOYS (NOT SCIENCE)

"Plant corn when oak leaves are the size of a squirrel's ear." "Plant above-ground crops as the moon waxes." Charming. Unproven. Use your frost dates.

MAGNUS SAYS

I garden because a garden cannot be rushed, bribed, or threatened. Plant what you will actually eat. Water in the morning. Write everything down; next spring you will not remember.
